

Role	Senior Accountant
hoytNIVA Requisition	SA010
Location	Chicago (North Shore)
Client Type	CPA Firm

North Shore-based CPA Firm seeks a Senior Accountant for a permanent, full-time role with a growing organization.

- Wide variety of engagements
- Exposure to many types of businesses
- Working directly with partners and the management team
- Direct communication with client management

The responsibilities of this position include:

- Income Tax Return Preparation
- Participation in Compilation, Review & Audit Engagements
- Advisory services, such as playing an active role in forecasting and budgeting of financial results and working closely with client management
- Accounting services; including general ledger closings, posting of journal entries, and account reconciliations

The ideal candidate will have 5 to 10-years of public accounting experience. A BS or BA in accounting is required as well as active CPA credentials. Strong analytical, problem solving and organizational skills are required along with a strong attention to detail. A candidate with a desire to work in a small firm that offers a good balance of highly professional standards and a collegial style will be a good fit with the client.

The client offers an attractive compensation package including eligibility for an annual performance bonus. Benefits include paid time off, access to health and dental insurance, bi-weekly massages and a 401(k) plan.

For consideration, please follow-up the link to submit your information and a hoytNIVA Staffing Consultant will get back to you shortly.
