Client Type

Tax Supervisor
TS010
Chicago (North Shore)
CPA Firm

North Shore-based CPA Firm seeks a Tax Supervisor for a permanent, full-time role with a growing organization.

- Tax Preparation & Review of Corporate, S-Corp, Partnership and Individual Tax Returns
- Tax Research, Planning & Compliance
- Assist, Manage & Develop Professional Staff

The ideal candidate will have a BS/Accounting (Major), active CPA Certificate, and Masters in Tax (MST) is strongly preferred and six (6) years of applicable tax experience. Working knowledge of CCH Tax Software, Microsoft Office and strong accounting skills are preferred. Active employees from "Big 4" will also receive additional consideration when compared to a base of candidates. A candidate with a desire to work in a small firm that offers a good balance of highly professional standards and a collegial style will be a good fit with the client.

The client offers an attractive compensation package including eligibility for an annual performance bonus. Benefits include paid time off, access to health and dental insurance, bi-weekly massages and a 401(k) plan.

For consideration, please follow-up the link to submit your information and a hoytNIVA Staffing Consultant will get back to you shortly.
